

Read 10 Books to Earn a Gold Star!

The reading list is one way a student can earn a GOLD star for their buddy patch. A student will turn in one sheet per month or as often as they like for reading ten books, with or without assistant, for one gold star. Please have the student bring the reading list to class and present it to an instructor at the line up for bow in (not sooner.) We may ask the child about any of the books on the reading list. The gold star will be presented after the end of class. Gold stars can also be earned for an outstanding report card or a significant improvement in their report card.

Additional copies may be found on our website under the "Students" section.
